

HAYDEN GIVES HOPE GRANT: APPLICATION CHECKLIST

- Please review all forms in the application before starting to ensure you have complete understanding of what each question is asking and what information is required
- Plan to give yourself plenty of time to complete all portions of the application by the deadline (11:59pm on December 31, 2023) – any applications submitted after this date and time, or any missing forms (incomplete applications) will not be reviewed and therefore cannot be considered
- Current diagnosis of infertility from a Board Certified Reproductive Endocrinologist with a current treatment plan
- Applicants are both legal permanent US citizens residing in the state of Missouri, age 18 or older.
- Review your infertility benefits through your health insurance to ensure no portion of IVF is covered
- Have not yet paid for IVF treatment in which funding is requested through this grant
- Submit the patient authorization form to be used by the Three Hearts Foundation Board of Trustees selection committee if necessary during the selection process
- Notify your treating physician and fertility clinic that you are applying for a grant through our foundation
- Send the Treating Physician form to your reproductive endocrinologist to fill out and remit back to the Three Hearts Foundation directly – it is your responsibility to confirm that we receive this form – we will not contact your physician or fertility clinic to request it
- Attach an estimated cost of treatment provided by your fertility clinics financial office
- Complete entire application fully and truthfully
- Initial, sign, and date consent and application
- Attach a 1-3 page, typed, personal journey statement – be as detailed as you feel comfortable with sharing – feel free to tell us a little about you and your significant other outside of infertility as well
- Attach 1-2 photos of both applicants together – these will only be used once the awarded couple has been selected
- Once application has been submitted, no changes can be made to the application itself (outside of changes in fertility, family status or contact information) – please review your application thoroughly before submitting. Any changes in financial status once application is submitted also cannot be changed
